INTRODUCTION

- 0.1 These Regulations have been drawn up pursuant to Article 13.8 of the Company's Articles of Association.
- 0.2 These Regulations supplement the provisions concerning the BoM and the BoM Members as contained in applicable laws and regulations and the Company's Articles of Association.
- 0.3 The Company does not adhere to the Dutch Corporate Governance Code, but has been inspired by it in the setup of its constitutional documents, including the Company's Articles of Association and these Regulations, insofar as deemed necessary or feasible by the BoM, the SB and the General Meeting.
- 0.4 These Regulations or any amended version thereof shall be placed on the Company's website.
- 0.5 By a unanimous resolution on 22 October 2009, the BoM declared that:
 - a. it would apply and consider itself bound by the obligations of these Regulations insofar as these apply to the BoM and the individual BoM Members;
 - b. when new BoM Members entered onto the BoM, it would have these BoM Members provide a declaration as referred to under a. above.
- 0.6 The meaning of several terms used in these Regulations, whether or not written with a capital letter, is set out in the Definitions included in **Annex 1**.

SECTION 1 COMPOSITION OF THE BoM; POSITIONS

Article 1 Composition of the BoM; assignment of duties

- 1.1 The BoM Members shall be appointed by the General Meeting.
- 1.2 The Company wishes to appoint the BoM Members without a fixed term, albeit that the General Meeting may also decide differently and appoint BoM Members for a fixed period only. Arrangements existing when these Regulations are adopted shall be respected.
- 1.3 The number of BoM Members shall be determined by the General Meeting.
- 1.4 Individual BoM Members (including the Chairman of the BoM if the General Meeting has designated a BoM Member as chairman) may be specifically charged with certain aspects of the management duties, without prejudice to the joint responsibility of the BoM as a whole and subject to the BoM Chairman's and CEO's duties and role under these Regulations. The BoM shall remain jointly responsible for decisions, even if these have been prepared by individual BoM Members. An individual BoM Member may only exercise those powers which the BoM has expressly granted or delegated to him, and he may never exercise powers which extend further than the powers which the BoM as a whole may exercise.
- 1.5 The assignment of duties within the BoM shall be determined (and, if necessary, modified) by the BoM, on the BoM Chairman's recommendation if a person has been designated as such and otherwise by the CEO. The BoM Members specially charged with certain management duties shall be primarily responsible for risk management and monitoring regarding the management duties concerned. The assignment of duties between the BoM Members, which, with respect to

the Chairman of the BoM, the CEO and the CFO, in each case if appointed are in addition to their duties described below in Article 2 and Article 3, respectively, is indicated in **Annex 2**.

- 1.6 Each BoM Member must clearly and timely inform the other BoM Members of the manner in which he has exercised powers delegated and of important developments in the area falling under his responsibility.

Article 2

Chairman of the BoM / CEO

- 2.1 The General Meeting may grant one of the BoM Members the title of Chairman of the BoM. The BoM shall, on an *ad hoc* basis or not, agree on an arrangement for replacing the BoM Chairman in his absence.
- 2.2 The General Meeting may also appoint one of the BoM Members as CEO of the BoM. The CEO does not need to be the Chairman of the BoM. If the BoM does not have a Chairman, the CEO shall have all the powers conferred upon the Chairman instead.

Article 3

Chief Financial Officer

- 3.1 The General Meeting may designate one of the BoM Members as the CFO.
- 3.2 Within the BoM, the CFO shall specifically be responsible for:
- a. formulating and preparing communication of the Company's financial strategy;
 - b. monitoring and ensuring the integrity of the Company's accounting practices;
 - c. the Company's financial reporting; and
 - d. performing the duties related to this, as these may be determined by the BoM from time to time.
- 3.3 Within the BoM, the CFO shall also specifically be responsible for, if requested, participating in meetings of the Audit Committee and the SB in which the following issues are discussed:
- a. the integrity of the Company's financial reporting (including, but not limited to, the choice of accounting policies, the application and evaluation of the effects of new regulations, information about the treatment of estimated items in the Annual Accounts and forecasts) and the drawing up and publication of the Annual Report, Annual Accounts, half-year figures and *ad hoc* financial information;
 - b. the qualifications, independence, remuneration and non-auditing work of the external auditor (without compromising in that respect the responsibilities of the SB and the Audit Committee in the financial, accounting and tax area);
 - c. the external auditor's performance of his duties;
 - d. the financial reporting process and reporting requirements to financiers;
 - e. the system of internal corporate control (including, but not limited to, the results of the internal risk management and control systems);

- f. the Company's compliance with laws and regulations and applicable codes of conduct in the financial, accounting and tax area;
- g. the Company's compliance with the recommendations accepted from the Company's external auditor;
- h. the Company's financing and the strategies related to this; and
- i. the Company's tax planning.

Article 5
Budget and risks

The BoM shall be responsible for establishing and maintaining internal procedures which ensure that the BoM is aware of all important financial information, so that the timeliness, completeness and accuracy of the external financial reporting is guaranteed.
- 6.2 The BoM shall formulate half-year figures and submit them each time to the SB for discussion at the first SB meeting after the half-year period in question is over.
- 6.3 Each year, no later than in the month of May, the BoM shall submit to the SB for discussion the Annual Report and Annual Accounts, together with the information to be appended in this respect. The BoM shall publish the Annual Report and Annual Accounts within the period prescribed by law.

Article 7
Dealing with the external auditor

- 7.1 The BoM shall ensure that the external auditor can perform his audit work properly and shall make sure that, both on the external auditor's part and the Company's part, the Company's role and policy concerning the external auditor is sufficiently implemented as provided for by or pursuant to the agreement with the external auditor, these Regulations and the Audit Committee Regulations.

SECTION III
BoM MEETINGS; DECISION-MAKING

Article 11
BoM meetings

- 11.1 In principle, the BoM shall meet every two weeks, or more often if deemed desirable or necessary for the BoM to function properly by one or more BoM Members, in consultation with the BoM Chairman (or the CEO if no Chairman has been appointed). BoM meetings shall be convened by the BoM Chairman (or the CEO if no Chairman has been appointed) or the Company Secretary on his or her behalf. Except in urgent cases, such to be determined by the BoM Chairman (or the CEO if no Chairman has been appointed), the agenda for the meeting shall be sent to all BoM Members before the meeting. If necessary, a written explanation shall be provided for each agenda item and relevant documents shall be appended.
- 11.2 BoM meetings shall be chaired by the BoM Chairman (or the CEO if no Chairman has been appointed). If the BoM Chairman (or the CEO if no Chairman has been appointed) himself is unable to be present at the meeting, the meeting shall be chaired by another BoM Member designated by the BoM Chairman (or the CEO if no Chairman has been appointed). If such a designation is not made, the meeting shall be chaired by another BoM Member, designated by the BoM Members present and represented at the meeting by a majority of the votes cast.
- 11.3 A BoM Member may be represented in meetings by another BoM Member pursuant to a proxy. The existence of such a proxy must be sufficiently demonstrated to the BoM Chairman (or the CEO if no Chairman has been appointed), or, in his absence, the BoM Members present at the meeting.
- 11.4 The Chairman of the BoM meeting (or the CEO if no Chairman has been appointed) shall decide on allowing other persons besides the BoM Members and the Company Secretary or his/her deputy to attend the meeting.
- 11.5 Minutes shall be drawn up of the BoM meeting's proceedings. The minutes shall provide insight into the decision-making at the meeting. The minutes shall in principle be adopted by the BoM in the same or the next meeting.

Article 12
Decision-making within the BoM

- 12.1 The BoM Members shall try as much as possible to pass resolutions unanimously. If unanimity cannot be attained and the law, the Company's Articles of Association or these Regulations do not require a greater majority, BoM resolutions shall be passed in accordance with this article 12.
- 12.2 Each BoM Member shall have one vote. If there is a tie vote, the BoM Chairman's (or the CEO if no Chairman has been appointed) vote shall be decisive.
- 12.3 Resolutions may not be passed without the BoM Chairman's (or the CEO's if no Chairman has been appointed) agreement, provided that – unless the law, the Company's Articles of Association or these Regulations require otherwise – (i) if the BoM Chairman (or the CEO if no Chairman has been appointed) is absent, a simple majority of all BoM Members in function (not necessarily all present) shall suffice, provided that the BoM Chairman (or the CEO if no Chairman has been appointed) shall have a veto right if he votes against the relevant proposal on or before the relevant BoM meeting taking place and (ii) approvals granted by email shall be sufficient if a simple majority vote in favour of it and the BoM Chairman (or the CEO if no

Chairman has been appointed) has not responded to the relevant request for approval within 1 business day.

- 12.4 If a resolution is not passed with the agreement of all BoM Members in office or passed in accordance with Article 12.3, each of the BoM Members shall be entitled to require suspension of the resolution's execution until it has been discussed again in the following scheduled meeting or a meeting specially convened for this purpose, unless the BoM Chairman (or the CEO if no Chairman has been appointed) believes that suspension of the resolution's execution is not justified.
- 12.5 If a consensus cannot be reached in the second meeting either, each of the BoM Members shall be entitled to present the resolution to the SB Chairman for a recommendation.
- 12.6 The following resolutions regarding the Company, subsidiaries and/or group companies of the Company which are or may be of critical importance to the group as a whole may only be passed by the unanimous vote of all BoM Members in office:
- a. adoption of the budget; and
 - b. drawing up the Company's Annual Accounts.
- 12.7 In principle, BoM resolutions shall be passed in a BoM meeting.
- 12.8 In principle, the BoM shall not pass resolutions relating to an area for which a certain BoM Member is specifically responsible if that BoM Member is absent and not represented.
- 12.9 BoM resolutions may also be passed in writing, provided the proposal concerned has been presented to all BoM Members in office and none of them has objected to this manner of decision-making. Written decision-making shall occur through written statements by all BoM Members. A statement by a BoM Member that he wishes to abstain from voting on a resolution to be passed in writing must include a declaration that he does not object to this manner of decision-making.
- 12.10 The BoM may deviate from the provisions of Articles 12.7, 12.8 and 12.9 if the BoM Chairman (or the CEO if no Chairman has been appointed) deems this necessary, given the urgent nature of or other circumstances surrounding the matter. In that case, the BoM Chairman (or the CEO if no Chairman has been appointed) shall decide on the procedure to be followed, on the understanding that all BoM Members must be given the opportunity to participate in the decision-making. Insofar as possible this will be laid down in the minutes of the next BoM meeting.
- 12.11 Proof for external purposes of a resolution passed by the BoM may be provided through a statement by the BoM Chairman (or the CEO if no Chairman has been appointed) or the Company Secretary.

Resolutions to enter into transactions in which there are conflicts of interest with BoM Members which are of material significance to the Company and/or the BoM Members concerned must be approved by the SB.
- 13.5 In cases in which the Company has a conflict of interest with one or more BoM Members, the BoM Member in question shall remain entitled to represent the Company, without prejudice to the General Meeting's power to appoint one or more persons for that purpose¹.

Article 14

- a. the number of other positions shall remain limited, so that normal performance of duties during and outside working hours is not adversely affected;
 - b. the other positions may not create potential conflicts of interest with the Company or be controversial in any respect whatsoever; and
